We both said some things  
I know we never meant  
And when I slammed the door tonight  
You wondered where I went

If I know you, you're probably  
Wonderin' what to do  
You're thinkin' that I'm gone for good  
If I know you

But if I know me  
I'll turn this car around  
I won't get halfway through town  
And I'll be sorry

I'll stop and call  
And you'll say you're sorry too  
And I'll come runnin' back to you  
If I know me

Sometimes I lose me head  
Say things to break your heart  
Forgettin' if I lost your love  
It would tear my world apart

If I know you, you didn't mean  
One single thing you said  
Truth be known your dyin', cryin'  
Lysin' there in bed

But if I know me  
I'll turn this car around  
I won't get halfway through town  
And I'll be sorry

I'll stop and call  
And you'll say you're sorry too  
And I'll come runnin' back to you  
If I know me

If I know me  
And I know me
