Would you like to live in Houston
Where the cowboys come to town
Or maybe Pensacola
Where the sun shines all year 'round

Or even New York City
Where the city never sleeps
I'm offering you the option
Before you get in too deep

If you can do anything else
Baby, be good to yourself
You can find a nice place, have a good life
Don't worry 'bout me, I'm gonna be alright

You can make a new start
You can see yourself clear
If you can do anything else, do it
But if you can't, baby, you can you stay right here

There's work up in Seattle
If you don't mind the rain
San Diego to Savannah
They'd all be glad you came

But life with me would always be
A roller coaster ride
You won't hurt my feelings
Whatever you decide

If you can do anything else
Baby, be good to yourself
You can find a nice place, have a good life
Don't worry 'bout me, I'm gonna be alright

You can make a new start
You can see yourself clear
If you can do anything else, do it
But if you can't, baby, you can you stay right here

This place might look real good right now
But lookin' good don't last

But if you choose it, anyhow
I'll give you all I have

If you can do anything else
Baby, be good to yourself
You can find a nice place, have a good life
Don't worry 'bout me, I'm gonna be alright

You can make a new start
You can see yourself clear
If you can do anything else, do it
But if you can't, baby, you can you stay right here

Baby, you can you stay right here
Oh baby, you can you stay right here
Baby, you can you stay right here
