Lately you've been showin' all the signs  
of a woman with someone else on her mind  
It's not your fault  
some nights I've left you alone  
and if you're thinking you want a stranger  
There's one coming home

Chorus:

If you're thinking you want a stranger  
I'll soon be there  
You're gonna see a change in me  
this time I swear  
No more late nights  
comin' in at daylight  
and no more doin' you wrong  
and if you're thinking you want a stranger  
There's one coming home

Bought you a silk gown and perfume today  
picked up some roses and champagne on the way  
Oh I called to ask you to put some soft music on  
Cause if you're thinking you want a stranger  
There's one coming home

Chorus

If you're thinking you want a stranger  
There's one coming home
