Well, Hope is an anchor, and love is a ship  
time is the ocean and life is a trip  
You don't know where you're goin' 'til you know where  
you're at  
and if you can't read the stars, well you better have a  
map

a compass and a conscience soul so you don't get lost  
at sea  
Or on some old lonley island where no one wants to be

From the begining of creation I think our maker had a  
plan,  
for us to leave these shores and sail beyond the sand  
and let the good light guide us through the waves and  
the wind,  
to the beaches in the world where we have never been

and we'll climb up on the mountain y'all and we'll let  
our voices ring  
those who've never tried it, they'll be the first to sing

oh my my

First Chorus:

so i'll see you on the other side, if I make it  
it might be a long hard ride  
but im gonna take it  
sometimes it seems that i dont have a prayer  
let the weather take me anywhere  
but i know that i wanna go where the streets are gold  
cause you'll be there

oh my my

Well you don't take nothing with you here  
and you can't take nothing back  
I ain't ever seen a hearse with a luggage rack  
so i've torn my knees up praying, scarred my back  
from falling down  
I've spent so much time flying high til i'm face first in  
the ground

so if you're up there watching me, would you talk to  
God and say  
Tell him I might need a hand to see you both someday

oh my my

Second Chorus:

So i'll see you on the other side, if i make it  
and it might be a long, hard ride, but i wanna take it  
sometimes it seems that i don't have a prayer  
let the weather take me anywhere  
but i know that i wanna go where the streets are gold  
'cause you'll be there  
oh my my  
cause you'll be there  
oh my my
