Had a nice little life
A little boat
A little beach
A little routine I liked
A blue ocean view
Free to go with the flow
Anywhere that I wanted to
But the moment you set foot on my shore
That's when I knew

Chorus:
There's a difference in living
And living well
You can't have it all
All by yourself
Something's always missing
Till you share it with someone else
There's a difference in living
And living well

Till you sailed with me
Thought that I had it good
As good as it could be
From the back of my deck

Caught a fish
Caught a breeze
And a thousand red sunsets
But sitting here with you girl I just saw
The best one yet

Chorus

My days are brighter
My sky a deeper blue
My nights are sweeter
When I'm with you

There's a difference in
Living and living well
You can't have it all
All by yourself

Something's always missing
Till you share it with someone else
There's a difference in living
I thought I was living
There's a difference in living
And living well
