My life's been grand
I've been a hand at livin' it up all the way
I've had good times and bad times
And hard times and done time
Life's been a blessing every day

My life's been grand
You know I'd write home and tell 'em
But they wouldn't believe how good my good luck's
been
And if it ended today, I've been all the way
My life's been grand

My life's been grand
You know I'd write home and tell 'em
But they wouldn't believe how good my good luck's
been
And if it ended today, I've been all the way
My life's been grand

My life's been grand
