Just a one pump fill-in station  
Lord and one old general store  
I found her in that wide spot  
In the road

And the brightest lights she'd ever seen  
Were the headlights on my pickup  
Till she saw the lights behind  
Those swinging doors

And everywhere she goes  
She leaves the jukebox smoking  
Everywhere she's been  
There's ashes on the ground

I see the glow in the sky  
Through the teardrops in my eyes  
My old flame's out burnin'  
Another honky tonk down

So country, young and pretty  
She's never been no where before  
And I lost her behind  
Those swinging doors

Now it's just me and my old pickup  
Making every joint in town  
'Cause tonight she's out somewhere  
To burn one down

And everywhere she goes  
She leaves the jukebox smoking  
Everywhere she's been  
There's ashes on the ground

I see the glow in the sky  
Through the teardrops in my eyes  
My old flame's out burnin'  
Another honky tonk down

My old flame's out burnin'

Another honky tonk down
