As the sun sets and you let go  
And my dreams go that way too  
And I watch the silhouettes flow  
Out of clear view

We can do this thing right  
Fix, what went wrong?  
Really make this work  
Turn around real slow  
Walk straight back to me  
Nobody has to get hurt

We can learn from my mistakes now  
I don't ask you to forget  
But forgive my good intentions  
And where they went

We can do this thing right  
Fix, what went wrong?  
Really make this work  
Turn around real slow  
Walk straight back to me  
Nobody has to get hurt

We can do this thing right  
Fix, what went wrong?  
Really make this work  
Turn around real slow  
Walk straight back to me  
Nobody has to get hurt
