"Nobody In His Right Mind Would Have Left Her"

I burn with desire
Each time my heart fans the fire
To that old flame that burns inside of me
She cried when I left her
Now I cry to forget her
Oh, how foolish I was to ever wanna leave

Cos nobody in his right mind would have left her
I had to be crazy to say goodbye
Nobody in his right mind would have left her
Even my heart was smart enough to stay behind

I still carry her picture
I wish her well with her new love
I know she's found by now
Each night finds me dreaming
Each day I spend thinking
How much I wish she was still around

Cos nobody in his right mind would have left her
I had to be crazy to say goodbye
Nobody in his right mind would have left her
Even my heart was smart enough to stay behind
Even my heart was smart enough to stay behind
