I burn with desire each time my heart fans the fire  
To that old flame that burns inside of me  
She cried when I left her, now, I try to forget her  
Oh, how foolish I was to ever wanna leave

Because nobody in his right mind would've left her  
I had to be crazy to say goodbye  
Nobody in his right mind could've left her  
Even my heart was smart enough to stay behind

I still carry her picture, I wish her well  
With the new love I know she's found by now  
Each night finds me dreamin', each day I spend  
thinkin'  
How much I wish she was still around

Because nobody in his right mind would've left her  
I had to be crazy to say goodbye  
Nobody in his right mind could've left her  
Even my heart was smart enough to stay behind  
Even my heart was smart enough to stay behind
