I woke up this morning, peeked out my door  
It was raining, cold and grey  
It's my one day off and I was gonna play golf  
There goes the plans that I made  
Oh, but you won't hear me complain

And oh, what a perfect day for loving you  
When you're in my arms I've got sunshine  
And the sky's always blue  
Couldn't ask for better weather to do what I do  
Oh, what a perfect day for loving you

So let's grab a blanket and a hot cup of coffee

And sit out on the front porch and swing  
That look in your eyes is what's on my mind  
We don't have to say anything  
Let's just listen to that old tin rail sing

And oh, what a perfect day for loving you  
When you're in my arms I've got sunshine  
And the sky's always blue  
Couldn't ask for better weather to do what I do  
Oh, what a perfect day for loving you  
Oh, what a perfect day for loving you  
For loving you
