Our love is unconditional, we knew it from the start  
I see it in your eyes, you can feel it from my heart  
From here-on-after let's stay the way we are right now  
And share all the love and laughter that a lifetime will  
allow

I cross my heart and promise to  
Give all I've got to give to make all your dreams come  
true  
In all the world you'll never find a love as true as mine

You'll always be the miracle that makes my life  
complete  
And as long as there's a breath in me I'll make yours  
just as sweet  
As we look into the future, it's as far as we can see  
So let's make each tomorrow be the best that it can be

I cross my heart and promise to  
Give all I've got to give to make all your dreams come  
true  
In all the world you'll never find a love as true as mine

And if along the way we find a day it starts to storm  
You've got the promise of my love to keep you warm

In all the world you'll never find  
A love as true as mine  
A love as true as mine
