Hey mister bartender please don't be so slow  
I've got time for one more round and a six pack to go  
Tomorrow mornin' Sunday, I'm gonna be feelin' low  
So please, please bartender I wanna six pack to go

I've been drinkin' all day long takin' in the town  
I've done spent my whole paycheck justa honky tonkin'  
round  
Well I don't have enough to pay my rent but I ain't  
gonna worry though  
I've got time for one more round and a six pack to go

Hey hey, mister bartender please don't be so slow  
'Coz I've got time for one more round and a six pack to  
go  
Tomorrow mornin' Sunday, I know I'll be feelin' low  
So please, please bartender I wanna six pack to go

I've been drinkin' all day long takin' in the town  
I've done spent my whole paycheck justa honky tonkin'  
round  
Well I don't have a dime to pay my rent, I ain't gonna  
worry though  
'Coz I've got time for one more round and a six pack to  
go

We've been drinkin' all day long takin' in the town  
We've done spent my whole paycheck justa honky  
tonkin' round  
Well we don't have enough to pay the rent, we ain't  
gonna worry though  
We've got time for one more round and a six pack to  
go  
One six pack to go
