I been on the road now
Dang near all my life
I do love to sing a song
I can say I've worked hard

Put in my time
Now it's time to go home
And catch up on my chores
Watch the sunset from my porch

I'll be somewhere down in Texas
If you're lookin' for me
Drinkin' in that great wide open
Soakin' up the summer breeze

Kickin' back and settled in with my family
I'll be somewhere down in Texas
If you're lookin' for me

That's where I got started
Where I was born and bred
It's a fire inside of me
I couldn't have imagined

This Texas highway led
Far beyond my wildest dreams
But I'll turn out the lights tonight
And say goodnight, but not goodbye

I'll be somewhere down in Texas
If you're lookin' for me
Drinkin' in that great wide open
Soakin' up the summer breeze

Kickin' back and settled in with my family
I'll be somewhere down in Texas
If you're lookin' for me

I've made so many friends
Hope we meet someday again
Till then

I'll be somewhere down in Texas
If you're lookin' for me
Drinkin' in that great wide open
Soakin' up the summer breeze

Kickin' back and settled in with my family
I'll be somewhere down in Texas
If you're lookin' for me
