Picture a fellow with his boots shined up
A new coat of clean on his pick-up truck
Ringin' your doorbell, thinkin' about love
Hey, honey that's me

That's me with a capital M
That's me ten times ten
I ain't worked up my courage yet
But that's me every chance I get

Picture a fellow at a picture show
His arm around you in the very last row
Stealin' a kiss as the credits roll
Yeah, honey that's me

That's me with a capital M
That's me ten times ten
I ain't worked up my courage yet
But that's me every chance I get
Ah, play it boys!

I never dealt with such a big deal
How to tell ya how I feel
I'll be your fellow in nothin' flat
Honey just picture that

That's me with a capital M
And that's me ten times ten
I ain't worked up my courage yet
But that's me every chance I get

That's me with a capital M
And that's me ten times ten
I ain't worked up my courage yet
But that's me every chance I get
Yeah, that's me every chance I get
Honey that's me every chance I get
