Without a warning you're out of control
The ground shakes and the oceans roll
This is the big one
There's nowhere to run

On the Richter scale of a romance
You hit twelve and you don't stand a chance
This is the big one
I'm falling in love

Now it's beat, beat, beat
My heart's sending out a message
Please, please, please
Don't save me tonight
S.O.S in this situation means
She's out of sight

No need to panic, I tell myself
But I've never felt this feeling with anybody else
So, this is the big one
I'm falling in love, oh yeah

Now it's beat, beat, beat
My heart's sending out a message
Please, please, please
Don't save me tonight
S.O.S in this situation means
She's out of sight

No need to panic, I tell myself
But I've never felt this feeling with anybody else
So, this is the big one, I'm falling in love, oh yeah
This is the big one, I'm falling in love
