What a merry Christmas this could be
If you would just come back to me
And say that you've forgiven me
What a merry Christmas this could be

It was just last Christmas
That we quarreled and you walked out
I knew I was wrong
But you'd come back
I had no doubt
Now a year has rolled around
It's Christmas once again
And what I'd give if you'd come walkin' in

What a merry Christmas this could be
If you would just come back to me
And say that you've forgiven me
What a merry Christmas this could be

What a merry Christmas this could be
If you would just come back to me
And say that you've forgiven me
What a merry Christmas this could be

What a merry Christmas this could be
