When did you stop loving me?
How long have I been a memory?
I've gotta know for my own sanity.
Tell me when did you stop loving me?

Was it that night that you stayed out until dawn?
You know that night has haunted me for so long!
Or was your love already cold?
Tell me please I've got to know!
Darling when did you stop loving me?

There was a time when you worshipped where I stood.
Heaven knows I'd bring it back if I could.
Now I can tell when we make love,
It ain't me you're thinkin' of...
Tell me when did you stop loving me?

Darling when did you stop loving me?
