

## George Strait "Where The Sidewalk Ends"

Visit "[Where The Sidewalk Ends](#)" on MotoLyrics.com

Where the sidewalk ends  
and the road begins  
We said good bye  
on a cold dark night  
I'm not afraid to go  
you bet I'm not  
Where the sidewalk ends  
you left a lot  
Some people leave  
and never come back  
Some stay in touch  
Some loose track  
Your mind kept sayin'  
come on let's go  
You started learnin'  
what you don't need to know  
Where the sidewalk ends  
and the road begins  
I'll wait for you  
in the cold dark night  
You might come back  
You had to go  
Where the sidewalk ends  
I'll never know  
Hide from the future  
run from the past  
I guess I'll stay here  
as long as I can last  
Whistle still blowin'  
but the train is gone  
Ain't no wheels  
gonna take me from my home  
Where the sidewalk ends  
and the road begins  
We said good bye  
on a cold dark night  
I'm not afraid to go  
you bet I'm not  
Where the sidewalk ends  
you left a lot  
I'm not afraid to go  
you bet I'm not

Where the sidewalk ends  
you left a lot  
Where the sidewalk ends  
and the road begins  
We said good bye  
on a cold dark night  
I'm not afraid to go  
you bet I'm not  
Where the sidewalk ends  
you left a lot  
Where the sidewalk ends  
you left a lot  
Where the sidewalk ends  
you left a lot
