Seems you came along at the right time
An' fallin' in love was all my idea
Others warned me about
The broken hearts you left behind

Now why'd you have to go
And prove 'em right
Now thanks to you
I know just how they feel

And because of you
My heart is broke in two
I'm feelin' like a fool
For puttin' my trust in you

You left me wonderin' why
You didn't even say goodbye
Well, excuse me if I'm now that smart
But why'd you go and break my heart

And because of you
My heart is broke in two
I'm feelin' like a fool
For puttin' my trust in you

You left me wonderin' why
You didn't even say goodbye
Well, excuse me if I'm not that smart
But why'd you go and break my heart

Well, excuse me if I'm not that smart
But why'd you go and break my heart
