(Dean Dillon/Royce Porter)

Her ship set sail from the docks of Miami
For a two week Caribbean cruise
Our first time apart
In ten years of marriage
She said I'm already missin' you
She called me from Nassau
Ships first port a call
Said the ocean ain't all that's blue
The closer I read was right
This island is paradise
But not without you

She said without you hear
There's just no fun
In the sun would be had
Without you here
It's no place to be
This dream vacation is a bad situation
I'm in misery
In a sea of tears
Without you here

I said darlin' I'm sorry
I should of gone with you
Had a feelin' you'd be feelin' this way
But I'm just as lonely
Your not the only one
Wishin' I was there today

As I hung up the phone
I pictured her there alone
Standin' at the dock of the bay
O' it's more than I can stand
There's gonna be a change in plans
Honey I'm on my way

She said without you hear
There's just no fun
In the sun would be had
Without you here

It's no place to be
This dream vacation is a bad situation
I'm in misery
In a sea of tears
Without you here

She said without you hear
There's just no fun
In the sun would be had
Without you here
It's no place to be
This dream vacation is a bad situation
I'm in misery
In a sea of tears
Without you here
