What kind of world would it be  
For you without me?  
Would you think it a better world  
Or would you be lonely?  
And if your love for me should die?  
Would you even say goodbye  
Would you just walk away  
Into the dark of night?

Sometimes I need assurance of your love  
For your soft and gentle touch  
Only Kings are worthy of  
And at these times you take me by the hand  
And like a child you lead me through  
A wonderland of love

Like I can't visualize  
Without you by my side  
Life would be meaningless  
Like some of those sky's  
Though you show me everyday  
Your love in every way  
I'm afraid it's all a dream  
That'll fade when I wake

Sometimes I need assurance of your love  
For your soft and gentle touch  
Only Kings are worthy of  
And at these times you take me by the hand  
And like a child you lead me through  
(Aah)  
A wonderland of love  
(Love)  
Wonderland of love
