At a table for two  
With candle light and wine  
That diamond burnin' holes in his pockets  
Thinkin' now is the perfect time

When he popped the question he could see  
The teardrops fill her eyes  
She said I knew this was commin' and I am sorry  
But I hpe you realize

You can't make a heart love somebody  
You can tell it what to do  
But it won't at all  
You can't make a heart love somebody  
You can lead a heart to love  
But you can't make it fall

Then she reached for his hand  
And said I want you to know  
I've done everything that I know of  
To make this feeling frow

I've begged and ;leaded with my heart  
But there's no gettin' through  
My heart's the only part of me  
That's not in love with you
