O' I recall some ball room brawls
That I got myself into
Just a stitch or two
Got me back together

But, what's it take to ease a leak
That came with losin' you?
I thought I was tough but goodbye's to much
This healin' is taking forever

Woman, you sure got this
Ol' redneck feelin' blue
What's goin' on inside me
I ain't used to goin' through

This ol' country boy's hillbilly heart
Is breakin' in two
Yeah, you sure got this
Ol' redneck feelin' blue

I've never seen anything hit me quite like this
You know the pain and loneliness
They keep hangin' with me

Oh this good time Joe, he took quite a blow
Oh why'd you call it quits?
It'll take some time to mend my mind
And put me out of my misery

Woman, you sure got this
Ol' redneck feelin' blue
What's goin' on inside me?
I ain't used to goin' through

This ol' country boy's hillbilly heart
Is breakin' in two
Yeah, you sure got this
Ol' redneck feelin' blue

Woman, yeah, you sure have this
Ol' redneck feelin' blue
