"Long Gone"

One of these days, you know it won't be long,

You'll look for me and baby I'll be long gone.

I'll be down the road.

You'll look for me,

But me you won't see.

Yeah, one of these days, you know the time is near,

You'll look for me, but baby I won't be here.

I'm gonna be long gone.

You'll look for me,

But me you won't see.

Yeah, one of these days, you're gonna wake up and
find,

This lonesome boy has changed his cotton-picking
mind.

He's gonna be long gone.

You'll look for he,

But he you won't see.

Long gone!

Long gone!

Long gone!

Long gone!

You'll look for me, and me you won't see
