(Jay Dee)  
Jay Dilla, ugh...feel it, hot shit, ugh, aaaaAA  
Aaa, Yall niggas ain't ready for this  
I consider you slippin if you ain't carrying shit  
All my niggas gettin doe (bitch), bitch we gettin it up  
At the bar sippin it till we spittin it up  
Pimpin it plus it's on when we get in the truck  
Cant make a right turn without settin it off (Why)  
Sittin on dubs rub the truck  
I'm even ruffer than ruff when I'm buckled up (why)  
Why get the whip if you gone cover it up  
If yo point is 6 is a point oh you suck  
Let a three twenty be a three twenty four  
Let a real nigga do real things  
I'm somthing serious like crips that bust gats  
Ignorant with it like bloods that bust back  
Cause cats y'all really ain't ready for us  
Got bitch niggas actin all petty and such  
Mad cause i, do my, do do, do my thing (just do your  
thang)  
If I pullout thing I'm gone shoot my thing  
Yall niggas ain't ready for this, is y'all ready? (yea we  
ready for that)  
Do you want it? Is y'all ready? Aight y'all ready!  
Do you like it? Yall ready? Do you like it? Yall ready?  
I'ma see if y'all ready, right NOW!!!
