I can't stop lovin' my baby tonight
I can't stop lovin' my baby tonight
No matter what I do
She don't treat me right

Hey baby, you know I'm all alone
Hey baby, you know I'm all alone
Ain't had no lovin'
Since you been gone from home

I love you, pretty baby but as for myself
I love you, baby but as for myself
I wouldn't mistreat you
For nobody else

And I can't stop lovin' my baby tonight
I can't stop lovin' my baby tonight
No matter what I do
She won't treat me right

I can't stop lovin' my baby tonight
I can't stop lovin' my baby tonight
No matter what I do
She won't suck it to me right, all night

One more time, baby
