I came in last night 'bout a half past ten
That baby of mine wouldn't let me in
Move it on over, rock it on over
Move a little dog, a mean old dog movin' in

Now listen to me talk before you start to whine
That side's yours and this side's mine
Move it on over, rock it on over
Move a little dog, a mean old dog movin' in

She warned me once, warned me twice
I don't take nobody's advice
Move it on over, rock it on over
Move it little dog, a mean old dog movin' in

Listen to me howl before you start to whine
That side's yours baby this side's mine
Move it on over, why don't you rock it on over
Move it little dog, a mean old dog movin' in

Come back to me beggin' on her knees
Meanwhile I'll be scratchin' flees
Move it on over, rock it on over
Move it little dog, a mean old dog movin' in

She changed the lock on my back door
Now my key don't fit no more
Move it on over, rock it on over
Move it little dog, a mean old dog movin' in

Move it on over, move it on over
Move it on over, rock it on over
Move over cool dog, a hot dog's movin' in
