Well now listen pretty lady
Let's go out tonight
You don't have worry
Everything gonna be alright
So don't let me hear you talkin'
Just be there when I call
'Cause what I do, I do my way
Or it don't get done at all

Tell the world
They better hear what I say, yeah
I'm an easygoing guy, but I've always got to have my
way

I was born a tiger
I've always had my way
Nobody's gonna change me
This or any other day
So don't let me hear you argue
But when I say how far you jump
'Cause the woman ain't been born yet
That can play me for a chump

Tell the world
They better hear what I say, yeah
I'm an easygoing guy, but I've always got to have my
way

Well don't ask me for no reasons
Don't ever wonder why
When I walk away and leave you
I don't wanna hear you cry
Now I've done a lot of plannin'
Got a lot of things to do
So don't give me no trouble
Or you and I are through

Tell the world
They better hear what I say, yeah
I'm an easygoing guy, but I've always got to have my
way

I'm an easygoing guy, but I've always got to have my
way
Yeah, I'm an easygoing guy, but I've always got to have
my way

I mean it!
