Oh, what a price I had to pay  
For loving you, you, you

I bought a house, a diamond ring  
I had to give up everything  
Oh, what a price I had to pay  
For loving you, you, you

I stopped my rambling, I even stopped gambling  
And I stopped staying out all night  
Oh, what a price I had to pay  
For loving you, you, you

I tried so hard to do what's right  
But you only wrecked my life  
Oh, what a price I had to pay  
For loving you, you, you

You've heard my story, I've sung my song  
So, goodbye baby, I'm gone  
Oh, what a price I had to pay  
For loving you, you, you
