I was a rebel from the day I left school  
Grew my hair long and broke all the rules  
I'd sit and listen to my records all day  
With big ambitions of where I could play  
My parents taught me what life was about  
So I grew up the type they warned me about  
They said my friends were just a unruly mob  
And I should, get a haircut and get a real job

### CHORUS

Get a haircut and get a real job  
Clean your act up and dont be a slob  
Get it together like your big brother Bob  
Why dont you, get a haircut and get a real job

I even tried that nine to five scene  
I told myself that it was all a bad dream  
I found a band with some good songs to play  
Now I party all night and sleep all day  
I met this chick, she was my number one fan  
She took me home to meet her mommy and dad  
They took one look at me and said, "Oh my god!  
Get a haircut and get a real job!"

### CHORUS

(Get a real job, why dont you get a real job,  
get a real job, why dont you get a real job)

I hit the bigtime with my rock and roll band  
The future's brighter now then I ever planned  
I'm ten times richer then my big brother Bob  
He's got a haricut and got a real job

### CHORUS

(Get a real job, why dont you get a real job,  
get a real job, why dont you get a real job)
