Johnny take a walk  
With your sister the moon  
Let her pale light in  
To fill up your room  
You've been living underground  
Eating from a can  
You've been running away  
From what you don't understand  
She's slippy  
You're sliding down  
She'll be there  
When you hit the ground  
[R?p?tition]: x2  
It's alright... it's alright... it's alright  
She moves in mysterious ways  
Johnny take a dive  
With your sister in the rain  
Let her talk about the things  
You can't explain  
To touch is to heal  
To hurt is to steal  
If you want to kiss the sky  
Better learn how to kneel... (on your knees boy!)  
She's the wave  
She turns the tide  
She sees the man inside the child

[R?p?tition] x2  
It's alright... it's alright... it's alright  
She moves in mysterious ways  
It's alright... it's alright... it's alright  
Lift my days... light up my nights  
One day you'll look back  
And you'll see  
Where  
You were held how  
By this love  
While  
You could stand  
There  
And not move on this moment

Follow this feeling  
It's alright... it's alright... it's alright  
She moves in mysterious ways  
It's alright... it's alright... it's alright  
We move through miracle days  
Spirit moves in mysterious ways  
She moves with it  
She moves with it  
Lift my days and light up my nights  
Love...
