Yeah

Lover, I'm on the street

Gonna go where the bright lights

And the big city meet

With a red guitar, on fire

Desire

She's a candle burning in my room

Yeah I'm like the needle, needle and spoon

Over the counter with a shotgun

Pretty soon everybody got one

I'm the fever when I'm beside her

Desire

Desire

Lady

And the fever, getting higher

Desire

Desire

Burning

Burning

She's the dollars, she's my protection

Yeah she's a promise in the year of election

Oh sister, I can't let you go

Like a preacher stealing hearts at a traveling show

For love or money money money

Money money money money money money money  
money

And the fever, getting higher

Desire

Desire

Desire

Desire

Alright

Money

Desire

Desire

Alright
