

## Georgia Brown "Black Nature"

Visit "[Black Nature](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Hey you, bro  
Don't you think  
It's time to be free  
It's time to be free  
What do you think then?  
That you can stand  
All kind  
Of race prejudice

Chorus:  
Believe me  
I use to be  
Always free

We are all the same  
We've got all rights  
And who teels you  
Is a white woman  
With a black soul  
There are  
Too many fuckin'  
Black guys outside  
Where are  
The fuckin' guys?  
Singing songs  
And they are singing  
Much happier then me

(Chorus)  
Believe me  
I use to be  
Always free

I disagree  
The races division  
Today  
We live in a world  
Where everyone  
Has to work  
To work together  
To make it better  
Nobody is different

We are came  
From the same land  
But  
In different colors so  
Why the race prejudice?

Chorus:  
Believe me  
I use to be  
Always free

Rap:  
Hey, guy  
Where tha fuck  
Do you think  
We are living?  
If we had  
The same thought  
Searching for a reason  
To have a healthy life  
And respect each other  
Just because  
I'm a fucking white  
And you're a fucking black  
Another indian or yellow  
Kind of different cultures  
Languages, presidents  
We've got a lot  
To learn from each other  
Talk it over  
If we don't fight  
To change everything now  
What's gonna be  
Our kids future?  
Stop the war  
It's peace time  
Religion  
It doesn't matter  
In fact  
We are the same  
God's children  
Hey guy, turn it on

Oh, turn it on  
Talk it over

(Chorus)
