If you're looking for a gal to love

Baby I'm waiting here

To love ya 24 hours a day, 365 a year

I'll be faithful, kind and true

Baby don't have no fear

I'll love ya 24 hours a day, 365 a year

Well every little moment that passes the time

Will always find you on my mind

Every little second, every moment between

Will be some more time for me to dream

We'll get along and that's for sure

The day you make it clear

You love me 24 hours a day, 365 a year

I'll love ya 24 hours a day, 365 a year

I'll love ya 24 hours a day, 365 a year

Well every little moment that passes the time

Will always find you on my mind

Every little second, every moment between

Will be some more time for me to dream

We'll get along and that's for sure

The day you make it clear

You love me 24 hours a day, 365 a year

365 a year

Three hundred and sixty-five days a year
