Goodbye, goodbye to Rome
City of a million moonlit places
City of a million warm embraces
Where I found the one
Above the faces far from home

Arrivederci Roma
It's time for us to part
Save the wedding bells for my returning
Keep my lover's arms outstretched and yearning
Please be sure the flame of love
Keeps burning in her heart

Arrivederci Roma
It's time for us to part
Save the wedding bells for my returning
Keep my lover's arms outstretched and yearning
Please be sure the flame of love
Keeps burning in her heart
