Goodbye, goodbye to Rome

City of a million moonlit places

City of a million warm embraces

Where I found the one

Above the faces far from home

Arriverderci Roma

It's time for us to part

Save the wedding bells for my returning

Keep my lover's arms outstretched and yearning

Please be sure the flame of love

Keeps burning in her heart

Arriverderci Roma

It's time for us to part

Save the wedding bells for my returning

Keep my lover's arms outstretched and yearning

Please be sure the flame of love

Keeps burning in her heart
