La la la la...

(CHORUS)

Kiss me another  
Kiss me another  
Kiss me another kiss  
Hold me another  
Squeeze me another  
Don't waste a night like this

The Carnivale is in town  
All of De Janeiro is hot  
The moons dressed up like a clown  
What a magic moment we've got

(CHORUS)

The firecrackers go pop  
Every star is tipping his hat  
You kiss me once and you stop  
What a shame, you shouldn't do that

(CHORUS)

La la la la...

Two strangers met in the night  
And two hearts were  
Glad they were born  
We, too, were strangers tonight  
But we may be lovers by dawn

(CHORUS)

La la la la...
