It's the same old line
The same old chat
You can't do this
You can't do that
I don't want to hear it anymore
I've seen that look
That's in your eye
You judge by the cover
Not what's inside
I don't want to see it anymore

Hope is coming 'round

I don't want to let go
I'm not letting myself down
I don't want to let go
I've come too far to turn around
I don't want to let go
This ain't someone else's dream
I don't want to let go
I don't want to say no
Till you've seen, the best of me

If I ask for advice
They look the other way
The things that really hurt
Are the things they don't say

I don't want to feel this anymore

It's a rollercoaster ride
Not a merry go round
Ain't a lot of ups
But I've seen a lot of downs

I'm not gonna take it any more

Hope is coming 'round
The best that I can be.
