I got a little change in my pocket gonna jing a ling a  
ling  
Gonna call you on the telephone baby, give you a ring  
But each time I try I get the same old thing always  
No huggy no kissy till I get a wedding ring  
My honey my baby don't put my love upon no shelf  
she said don't give no lines and keep your hands to  
yourself

Now baby, baby, baby why do you treat me this way  
you know I'm still your loverboy, I still feel the same  
way  
Thats when she told me a story about free milk and a  
cow  
No huggy no kissy till I get a wedding vow  
My honey my baby don't put my love upon no shelf  
She said don't give me no lines and keep your hands to  
yourself

You see I wanted her real bad and I was about to give  
in  
thats when she started talking about true love, started  
talking about sin  
I said honey i'll be with you for the rest of my life  
She said no huggy no kissy til you make me your wife  
My honey my baby don't put my love upon no shelf  
She said don't give me no line and kep your hands to  
yourself
