Yes I'm sitting right here
Waiting for you my dear
Wondering if you're even gonna show
I don't know you're gonna show
And my darling gotta know
Nevertheless I said you got me waiting

Sitting in the park waiting for you

Sitting here on the bench
With my back against the fence
Wondering if I've got any sense at all
Something tells me I'm a fool
Let you treat me so cruel
Nevertheless I said you got me waiting

Sitting in the park waiting for you

Woah x9
Woah x7
Why I said little girl, I wanna know

Sitting in the park waiting for you

Yes I'm sitting on the bench
With my back against the fence
Wondering if I've got any sense at all
Something tells me I'm a fool
Let you treat me so cruel
Nevertheless you got me waiting here I'm

Sitting in the park waiting for you

Wondering if you're gonna show
And my darling gotta know
Nevertheless you got me waiting here I'm

Sitting in the park waiting for you

Sitting here on the bench
Wondering if I got a sense
Nevertheless you got me waiting here I'm

Sitting in the park waiting for you
