Sunny
Well yesterday my life was filled with rain
Sunny
You smile at me and really ease the pain
Oh the dark days are done
The bright days begin
My sun and one
Shine so sincere
Sunny one so true
I love you

Sunny
Well thank you for the sunshine bouquet
Sunny
Thank you for the love you brought my way
You give to me
Your heart and all
And I feel
Ten feet tall
Well sunny one so true
I love you

Sunny
Thank you for the truthful things you say
Sunny
I wanna thank you for the fact, from A to Z
Because my life was torn
Like windblown sand
Then a rock formed
And we held hands
Sunny one so true
I love you

Sunny
Thank you for the smile upon your face
Sunny
Well, wanna thank you for the dream that flows with
grace
You're my spark
Nature's fly
You're my sweet
Complete desire

Sunny one so true
I love you
Said I love you
And the things you do
With a love so true
Sunny I love you
