Take my lips and give me yours
Take my arms and give me yours
Take my heart and give me yours
Till we two are one.
Just one kiss, if we should dare
Just one love for us to share
Just one ecstasy is there
Till we two are one.
There could be heavenly dreams
We take and give for thrillingly,
Willingly moments we live for
Take my love and give me yours
Take my life and give me yours
Take my soul and give me yours
Till we two are one
