To you, my love  
To you, my love  
My heart

I dedicate my song to you, my love  
The words, the tune belong to you, my love  
So when you hear this melody begin  
You'll know what's in my heart

I dedicate my prayers to you, my love  
The vows a lover swears, to you, my love  
And just as long as time itself endures  
What's mine is yours, sweetheart

I'll wait from now until forever  
To hold you close, to make you mine  
But please don't make me wait forever  
Forever's such a long, long time

[VERSE 4]  
So take my song and take the prayers I give  
My hand, my heart, the very life I live  
And let the flame of love come burning through  
From me to you, my love

I'll wait from now until forever  
(I'll wait forever)  
To hold you close, to make you mine  
(To make you mine)  
But please don't make me wait forever  
(No not forever)  
Forever's such a long, long time

[Repeat VERSE 4]
