Is she here?  
When she gets here send her up to my room  
You got it?

Cherry  
Tina  
Cherry

Her real name is Tina  
Tina, Tina  
But she plays a trick every day  
It won't seem like it when you need her  
But she has some nasty names  
She works, and works  
Her hips, her thighs  
She works, and works  
Her lips, her eyes  
She works, and works  
Her hair, her clothes  
She works it  
Ohh la la

Very hard, Tina  
Very hard, Tina  
Tina, Tina  
Tina, Tina, Cherry  
Tina, Tina  
Tina, Tina, Cherry  
Ohh la la  
You got it?  
You got it?  
You got it?  
You got it?

She says her daddy is Creole (New Orleans)  
And her mom is Latin  
All the guys flip out when they see her  
To me she's not happennin'  
She works, and works  
Me and the wrong guy  
She works, and works  
She tries to be a lie

She works, and works  
All of my freinds

She works it  
Ohh la la  
Tina, Tina  
Tina, Tina, Cherry  
Tina, Tina  
Tina, Tina, I want  
Tina, Tina  
Tina, Tina, Cherry  
Tina, Tina  
Tina, Tina, I want  
Tina, Tina  
Tina, Tina, Cherry

Tina Cherry here's a message to you  
I'm going to tell you what I'm going to do  
Tina tell me what you want to be  
I already know that you're easy  
Tina baby don't make it hard  
We're almost there let me park my car  
I want a chocolate shake and a rasberry cake  
To top it off I want your cherry to go
