(by Bryan Adams)

To really love a woman
To understand her
You gotta know her deep inside
Hear every thought
See every dream
And give her wings when she wants to fly

And when you find yourself
Lying helpless in her arms
You know you really love a woman

When you love a woman
You tell her that she's really wanted
When you love a woman
You tell her that she's the one
She needs somebody
To tell her that it's gonna last forever
So tell me have you ever really
Really really ever loved a woman

To really love a woman
Let her hold you
Do you know how she needs to be touched ?
You gotta breath her
Really taste her
To you can feel her in your blood
Then when you can see your unborn children in her
eyes
You know you really love a woman

When you love a woman
You tell her that she's really wanted
When you love a woman

You tell her that she's the one
She needs somebody
To tell her that you'll always be together
So tell me have you ever really
Really really ever loved a woman

You got to give her some faith
Hold her tight
A little tenderness
You gotta treat her right
She'll be there for you
Taking good care of you
You really gotta love your woman

And when you find yourself
Lying helpless in her arms
You know you really love a woman

When you love a woman
You tell her that she's really wanted
When you love a woman
You tell her that she's the one
She needs somebody
To tell her that it's gonna last forever
So tell me have you ever really
Really really ever loved a woman
Just tell me have you ever really
Really really ever loved a woman
Just tell me have you ever really
Really really ever loved a woman
