Long ago  
There was this pretty young thing from across the way  
We used to go  
To and fro, home and school about every day, but?  
Closest thing we ever had to a date  
Was the time we spent together being late  
Walking down the hall on our way to homeroom

But we were really young back then  
So I guess I never noticed the time she took  
To brush her hair and fix her clothes to make sure she  
looked  
Like a princess everyday for me and  
She was waiting for me  
To do something  
But I did nothing  
Cause I was too blind to see  
That I was just a boy and  
She was my joy

Everything that I could need  
She was so much more  
Wonder if I'll ever see her (Knock, Knock)  
Knocking at my door  
She was my joy?  
Joy?.Joy?Joy?Joy

I Wish I could  
Go back in time and treat her a little better  
Because I would?  
Maybe tell her how I feel; I could put it in a letter saying  
?J-O-Y because I like you,?  
?A-B-C me in the yard after school?  
And I'd hold her close  
Maybe give her my coat if it was cold outside

But we were really young back then  
And I guess I never noticed the time she took  
To brush her hair and fix her clothes to make sure she  
looked  
Like a princess everyday for me and  
She was waiting for me

To do something  
But I did nothing  
Cause I was too blind to see

That I was just a boy and  
She was my joy

It was so long ago  
But I still see it like yesterday  
We were walking alone  
You were singing a song  
I had my chance  
I let it pass  
And I'll never get it back again  
I wonder how you've been my friend

I can't help but think about what could've been  
Would our lives be the same  
A whole world of difference  
From one tiny change  
I don't know what I'd give up  
I don't know if you'd live up  
To my great expectations  
Of you?
