(by Michael Jackson)

Girl, close your eyes,  
let that Rhythm get into you.  
Don't try to fight it,  
there ain't nothing that you can do.  
Relax your mind.  
Lay back and groove with mine.  
You've gotta feel that beat,  
and we can ride the boogie.  
Share that beat alone  
Chorus  
I wanna rock with you all night  
Dance you into sun light  
I wanna rock with you all night  
Were gonna rock the night away

Out on the floor,  
there aint nobody there but us.  
Girl when you dance,  
there's a magic that must be love.  
Just take it slow,  
cause we got so far to go  
You've gotta feel that beat,  
and we can ride the boogie.  
Share that beat alone  
Chorus  
And when the groove is dead and gone.  
You know that love survives,  
so we can rock forever
