(with Teena Marie)

[Teena Marie:]

Lately all the flowers seem to be so plain
Can u tell a rose by any other name

[Gerald Levert:]

Lady your body moves
Like poetry
Like a diamond in the raw
U shine 4 me
No one else can hold a candle
To u girl
Cause your everything I need
In my world
Baby

Lately all the flowers seem to be so plain
Can you tell a rose by any other name
(Take your time)

[Teena Marie:]

Oh I got a song 4 u boy
Tellin the world about the joy
In my garden
In the shade
Cause my world was spinnin round
Until u made my love come down
Never gonna let u go(no)
I'm never gonna let u go

Lately all the flowers seem to be so plain(seem so plain)
Can you call a rose by any other name(any other name)
Here inside your garden it's like I feel unchanged(I've been changed)
Can you call a rose by any other name(any other name)

[Teena Marie:] Anything you want

[Gerald Levert:] Anything you want

[Teena Marie:] Anything you need

[Teena Marie:] I can make it better
[Gerald Levert:] I know I can
[Teena Marie:] Anything you want
[Gerald Levert:] Girl
[Teena Marie:] I can make a change
[Teena Marie & Gerald Levert:] Can you call a rose by
any other name
