It just ain't right  
The way you're treating me  
I wish you would listen, and

Open up and try to understand  
How I feel, I miss you  
I love you and I just want  
You to know  
I'll always be there for you

Chorus

I love you hope you get  
This message  
I don't deserve this talking  
To you answering service  
I need you hope you  
Get this message

To your answering service

Girl I know that I hurt you  
And I apologize  
But I would feel so much better  
If I could look into those big brown eyes  
Oh baby

Is there a pleasure you get  
In making me suffer like this oh  
I just wanna hear you say

Hear you say I love you  
Girl that's what I really miss  
Why you wanna treat me like this

And I wantcha to know that
